

SH'OR YOSHUV RABBINICAL COLLEGE

TRANSFER CREDIT POLICY 2022-23

Credits may be granted, at the discretion of the Yeshiva, for study and courses taken at another postsecondary institution of Talmudic Studies providing the following conditions are met:

- The credits transferred must be based on course work similar in content, style and academic rigor to the one offered at the Yeshiva.
- The student must have achieved a grade that would have enabled him to pass a similar course at the Yeshiva.
- All credits must be properly documented.
- Transfer credits accepted are counted toward both the number of attempted credits and the number of credits earned by the student. Credit by examination may be granted to students, who previously attended unaccredited institutions, based on the examination that the Rosh Yeshiva administers to each incoming student. Students will be placed at the appropriate academic level and granted the credits by examination that will place them on par with the class.

A transfer student must fulfill a minimum academic residency requirement of 30 credits earned at Sh'or Yoshuv Rabbinical College in order to earn a First Talmudic Degree.

Decisions regarding transfer credits are subject to the same appeals process described above.

Note: Sh'or Yoshuv Rabbinical College does not have any articulation agreements with regard to whether we will accept credits from other institutions nor with regard to whether other institutions accept our credits. Before enrolling in our institution, please be sure that your attendance at our institution will help you reach your educational goals.
