

Grant Reporting HEERF II and HEERF III for Quarter Ending September 30, 2021

The Higher Education Emergency Relief Funds (HEERF II and HEERF III) are authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020 and the American Rescue Plan (ARP) Public Law 117-2, signed into law on March 11, 2021. In total, the CRRSAA authorizes \$81.88 billion, and ARP authorizes \$39.6 billion in support for education in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136.

Shor Yoshuv Rabbinical College has signed and returned the Certification and Agreement and assures that the institution has used or intends to use the applicable amount of funds designated under the CRRSAA and ARP programs to provide Emergency Financial Aid Grants to Students.

Unlike the CARES Act, the CRRSAA and ARP require that institutions prioritize students with exceptional need, such as students who receive Pell grants, in awarding financial aid grants to students. However, students do not need to be Pell recipients nor do they need to be eligible for Pell grants to be eligible to receive HEERF grants.

Shor Yoshuv Rabbinical College has been allocated \$29,899 under CRRSAA and \$92,305 under ARP to be used as Emergency Financial Aid Grants to students. Shor Yoshuv Rabbinical College has disbursed \$16,000 from the Student Portion of CRRSAA as grants to 160 eligible students between July 1, 2021 and September 30, 2021.

The method used by Shor Yoshuv Rabbinical College to prioritize students with exceptional need was based on the following criteria:

Students with exceptional need were prioritized and received grants in the quarter ending on 6/30/2021. Students enrolled for the Spring 21 semester as well as students that received a CARES grant in the past were awarded \$100.

Students were instructed that their Emergency Financial Aid Grants are non-taxable and may be used for any component of their cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.
